# LOCAL COMMUNITY | NPARKS

Issue: Jul 2021

StorHub was recently featured in the National Parks Board’s (NParks) newsletter on Skyrise Greenery Showcase (Second Edition) as one of the exciting skyrise greenery projects adorning Singapore’s cityscape. StorHub was featured as a project showcase with Sunseap, for a 760 square feet green roof at our self storage facility in Toa Payoh, which is a refreshing transformation from a concrete rooftop to vibrant lush greenery as part of StorHub’s aim to build a greener future for our local community and in line with Singapore’s Green Plan 2030. Today, our roof garden not only serves as an aesthetic feature of
